

MTS Essay Prize announcement

The MTS would like to support you in attaining a postgraduate qualification in respiratory medicine. We will support one candidate with £1000 toward the fees for the first year of registration on the [University of Birmingham postgraduate certificate in respiratory medicine](#) course.

To enter:

Please submit a case study of MDT working in a respiratory setting – primary or secondary care. Adult or paediatric cases can be submitted. Do not include any details that might identify your patient(s)! Aim for around 2,000 words. Illustrations can be included but will not contribute to the word count.

For further information, and to submit your essay, email the MTS on:

lorrainerichardson1@btinternet.com by 5 pm Friday 5th March 2021. The winner will be announced at the MTS Spring Virtual Meeting Wednesday 28th April 2021.
